## Duraskirt™ Makes Good Sense

- ✓ Engineered to replace perimeter blocking and hold up to a 95 lb. snow load.\*
- ✓ Does not require a poured footing.
- ✓ Environmentally friendly.
- ✓ Uses less than 1/5 of the materials used in a traditional concrete foundation.
- ✓ Can be reused.

- ✓ Typically installs in less than one day.
- ✓ Speeds up your move-in time.
- ✓ Can be backfilled to bottom of vents right after installation.
- ✓ Ventilation is provided.
- ✓ Meets or exceeds all local Building Dept., HUD, FHA and VA requirements.

\* Call for use as a perimeter support.
